# Are You Ready For Love?

### Verse 1

Catch a star if you can
Wish for something special
Let it be me, my love is free
Sing a song to yourself
Think of someone listenin'
One melody, you're all for me

I'll write a symphony just for you & me
If you let me love you
I'll paint a masterpiece just for you to see
If you let me love you, let me love you.

Are you ready, are you ready for love, yes I am Are you, are you ready, are you ready for love yes I am Are you, are you ready, are you ready for love? Love
